

She's energizing local communities, one at a time.

*"You don't have to **live** in a town to **love** a town. I'm happy to help so many great communities come alive again."*

Doris Burke - PSNH Community Development Manager

Doris Burke is an important part of dozens of New Hampshire communities. But she doesn't own a business or hold public office. She's the community development manager for PSNH. Doris' involvement in the New Hampshire Main Street Program has helped revitalize communities across the state — by attracting businesses, restoring historic buildings, obtaining grants and more. It's another small way PSNH is working to improve the places we *all* call "home" and a great example of New Hampshire at its best.
